

Dear JYK DCS Families (Updated March 27, 2020)

Please be advised that teachers will be facilitating lessons via zoom from 9am -12pm beginning Monday March 30th. Please make sure that you contact your child's teacher via email if you do not receive directions by 8am Monday morning. Please strive to complete the lessons given and participate in the education enrichment sessions so that your child does not fall behind however no grades will be given for the lessons or for lack of participation.

In an effort to provide academic support to our students while out due to the global Coronavirus (COVID-19) pandemic, your child's teacher will be posting assignments on line for you to access. These assignments will be posted by Wednesday, March 18th. Additional assignments will be added as needed.

In order to keep our students on track, Great Minds is going to share, free to anyone-- recorded daily lessons in grades K-12 of Eureka Math and K-8 of Wit & Wisdom. These lessons will be delivered by Great Minds' own teachers and will be viewable on any device.

We hope you will use these lessons, in full or in part, however you think best.

Please visit:

<https://gm.greatminds.org/en-us/knowledge-for-all>

The *Wit and Wisdom* resources and lessons will be available on 3/18. In the meantime, remember that the *Eureka Math* Math curriculum is a free, open education resource available to anyone, anywhere. You can access:

- Student materials such as Problem Sets, Application Problems, and Exit Tickets
- Homework Helpers
- Parent Tip Sheets
- Math card games

Resources

Internet Access

If you are in need of internet access, Comcast and Charter Communications (aka Spectrum) are offering free internet access to certain households while schools nationwide are being closed down amidst the COVID-19 pandemic.

- To take up Comcast's Offer:
 - Be an eligible "qualified" low income household

- Go to InternetEssentials.com or call 855-846-8376 for English or call 855-765-6995 for Spanish
- All new customers will receive a free self install kit with no shipping fee.
- To take up Spectrum's Offer:
 - Be a household with a student enrolled in a k-12 school or college
 - Call 844-488-8395; installation fees will be waived for eligible households.
